

Conference Schedule at a Glance

January 19, 2019 Saturday			
Morito Memorial Hall			Room
10:00-12:00 13:30-16:00	Registration	Participants Registration & Conference Kits Collection	The Second Conference Room (2F)
January 20, 2019 Sunday			
Morito Memorial Hall			Room
09:00-09:05	Opening Remarks	Prof. UMEMURA Kazuo , <i>Tokyo University of Science, Japan</i>	The First Forum (B1F)
09:05-09:50	Keynote Speech	“Graphene-based Electrode Materials For Supercapacitors” Prof. Xiaohong Zhu , <i>Sichuan University, China</i>	
09:50-10:20 Group Photo & Coffee Break			
10:20-11:05	Keynote Speech	“Graft Copolymers for Solar Energy and Gas Separation Membranes” Prof. Jong Hak Kim , <i>Yonsei University, South Korea</i>	The First Forum (B1F)
11:05-11:45	Plenary Speech	“Synthesis of Nanostructure-Controllable Nitrides / Oxynitrides and their Novel Applications” Prof. Shu YIN , <i>Tohoku University, Japan</i>	
11:50-13:10 Lunch Ordinary @ Torityaya 鳥茶屋 Muslim and Vegetarian @ The First Conference Room (2F)			
13:15-15:30	Session 1	Polymers and Polymer Composites	The Second Forum (1F)
13:15-15:30	Session 2	Surface Treatment and Coating Technology	The First Conference Room (2F)
13:15-15:30	Session 3	Material Processing and Mechanical Design	The Third Conference Room (2F)
15:30-15:45 Coffee Break			
15:45-18:00	Session 4	Electrochemistry and Chemical Engineering	The Second Forum (1F)
15:45-18:00	Session 5	Fiber Reinforced Composites and Carbon Based Composites	The First Conference Room (2F)
15:45-17:45	Session 6	Biomedical Materials and Biomedical Engineering	The Third Conference Room (2F)
13:15-18:00	Poster Session		The Second Conference Room (2F)
19:30-20:30 Dinner Banquet @ Rilassa 3F of Tokyo Dome Hotel, 1-3-61 Koraku, Bunkyo-ku, Tokyo 112-8562			

January 21, 2019 Monday		
Morito Memorial Hall		Room
09:30-10:15	Keynote Speech	“Nanobiosensing using Near-Infrared Spectroscopy of Bioconjugates of Carbon Nanotubes” Prof. UMEMURA Kazuo , <i>Tokyo University of Science, Japan</i>
The First Forum (B1F)		
10:15-10:35	Coffee Break	
10:35-11:15	Plenary Speech	“Rapid and Energy-Saving Sintering of Electrically Conductive Powders by Directly Applied Current Heating” Assoc. Prof. Mikio Ito , <i>Osaka University, Japan</i>
11:15-11:55	Plenary Speech	“Current Perspectives of Nanoparticles on Powder (NPP) Process in Antimicrobial Applications” Dr. Seok-Keun Koh , <i>iCube Global, Korea</i>
The First Forum (B1F)		
12:00-13:10	Lunch Ordinary @ Torityaya 鳥茶屋 Muslim and Vegetarian @ The First Conference Room (2F)	
13:15-16:00	Session 7	Nanomaterials and Material Chemistry
The Second Forum (1F)		
13:15-15:45	Session 8	Functional Materials and Sensors
The First Conference Room (2F)		
13:15-15:45	Session 9	Building Materials
The Third Conference Room (2F)		
January 22, 2019 Tuesday		
09:00-19:00	One-day Tour for Voluntary Participants	Pick-up & Drop-off at Morito Memorial Hall
