January 13, 2020 | Monday

Front of the Main Auditorium (B106), Engineering Research Park, Yonsei University

13:00-18:00 Participants Registration & Conference Kits Collection

January 14, 2020 | Tuesday

Engineering Research Park, Yonsei University

Room

09:00-09:10	Opening Remarks	Prof. Jong Hak Kim , <i>Yonsei University, South Korea</i>	Main Auditorium (B106)
09:10-09:55	Plenary Speech	“Membrane Concepts for Gas Separations” Prof. Michael D. Guiver , <i>Tianjin University, China</i>	
09:55-10:25	Group Photo & Coffee Break		
10:25-11:10	Keynote Speech	“Development of Porous Carbon Materials using Polymers and its Application to Greenhouse Gas Capture” Prof. Ki Bong Lee , <i>Korea University, South Korea</i>	Main Auditorium (B106)
11:10-11:55	Keynote Speech	“Inorganic Solid Electrolytes for All-Solid-State Lithium Batteries” Prof. Xiaohong Zhu , <i>Sichuan University, China</i>	
12:00-13:30	Lunch @ The Commons (B110)		
13:30-14:00	Invited Speech	“Metamaterial-Like Vibration of Mass Chain-Filled Carbon Nanotubes” Prof. C.Q. RU , <i>University of Alberta, Canada</i>	Seminar Room #2 (173)
13:30-14:00	Invited Speech	“Hybrid Fiber-Metal Laminates for Lightweight Marine Structural Applications” Prof. Juan C. Suárez-Bermejo , <i>Technical University of Madrid (UPM), Spain</i>	Seminar Room #3 (259)
14:00-15:30	Session 1	Advanced Materials and Magnetic Materials	Seminar Room #2 (173)
14:00-15:15	Session 2	Biomaterials and Biotechnology	Seminar Room #3 (259)
14:00-15:15	Session 3	Civil and Building Materials	Seminar Room #4 (372)
15:15-15:45	Coffee Break		

15:45-17:30	Session 4	Material Chemistry and Material Processing	Seminar Room #2 (173)
15:45-17:00	Session 5	Optoelectronic Materials	Seminar Room #3 (259)
15:45-17:15	Session 6	Composite Materials and Engineering	Seminar Room #4 (372)
18:00-19:30	Dinner Banquet with Traditional Korean Performance @ The Commons (B125)		
January 15, 2020 Wednesday			
Engineering Research Park, Yonsei University			Room
10:00-12:00	Session 7	Nanocomposites and Nanotechnology	Seminar Room #2 (173)
10:00-12:00	Session 8	Polymer Composite	Seminar Room #3 (259)
12:00-13:00	Lunch Break		
13:00-14:00	Visit Energy Materials Laboratory and Campus Tour		
January 16, 2020 Thursday
